

**Muhabbet**

Ich will nicht
gehen

Muhabbet

I don't want to go

Something's burning in my soul
I don't know how to tell you
You tell me you're going your own way
But don't you see how I'm weeping

I strive and live only for you
I belong to you
Stay with me, stand by me and tell me you
miss me

The door is open
I'm looking out
My heart stands still
Damn, I don't want to go

I don't want to go, I don't want to go, I don't
want to go, I don't want to go

I don't want to go, I don't want to go, I don't
want to go, damn, I don't want to go

Now just be, just be honest
Wasn't the time we had fantastic for us both
Or was it an illusion, only visible to me
It was my greatest wish to be with you

I strive and live only for you
I belong to you
Stay with me, stand by me and tell me you
miss me

You miss me
You miss me
Just like I miss you
Just like I miss you
You miss me, tell me, you miss me

It isn't hard,
If you demand more
Than I can give.
It'll stop sometime,

But will you stay
Or will you go?
Decide
Yes, please decide.

The door is open, I'm looking out, my heart
stands still, damn, I don't want to go
The door is open, I could go out, but I just
stay here, damn, I don't want to go

I don't want to go, I don't want to go, I don't
want to go, I don't want to go

I don't want to go, I don't want to go, I don't
want to go, damn, I don't want to go

The door is open, I'm looking out, my heart
stands still, damn, I don't want to go
The door is open, I could go out, but I just
stay here, damn, I don't want to go, I don't
want to go, I don't want to go, damn, I don't
want to go
